

# IATE Recognized at ATE National Conference

*Our Professional Journeys: Navigating Roles, Research, Relationships, and Responsibilities*, the 2023 Annual Meeting of the Association of Teacher Educators, was held March 25 - 29 at the Hyatt Regency Riverfront Jacksonville. As always, there were outstanding and inspirational speakers and sessions for all educators to attend. During the meeting, the Illinois Association of Teacher Educators (IATE) received several accolades for outstanding work in teacher education.

Further, IATE received two specific national honors during the meeting. The Illinois unit won the *Sikula Unit Achievement* and the *Membership Management ATE* awards. Receiving these awards acknowledges the efforts and accomplishments of affiliated units across the country. Through the outstanding work of the IATE Executive Council and membership, IATE was able to provide services and programs at the local and state levels, thereby supporting the national organization's mission and goals.

We wish to thank IATE members for ALL their efforts.
