This year, the IATE Conference Theme is *Inspiring Quality Research & Practice in Education: Looking at the Past, Present, and Future*. The IATE Planning Committee invites you to share your work by submitting a proposal pertaining to one or more of the following topics:

#### **Types of Sessions/Presentations:**

- **Paper Presentations** - Single paper presentations provide an opportunity for authors to share their work. Typically, presentations last 30-35 minutes with 5-10 minutes for discussion.
- **Panel Presentations** - Multiple presenters provide a variety of perspectives on an issue related to the conference theme and are organized and chaired by one of the presenters. Typically, each individual presentation lasts 10 minutes with 5-10 minutes for discussion.
- **Poster Presentations** - Poster sessions combine the graphic display of materials with the opportunity for individualized, informal discussion of topics. This is a wonderful way for students (undergraduate & graduate), faculty members, and others to informally share their work.
