IATE
VALUES AND BELIEFS

RECOGNIZES that the responsibility for
educating the youth of Illinois rests with
its citizens.

CALLS for a collaborative relationship
uniting educational institutions, social
agencies, the business community, and
families to create a quality education
system which is equitable and just for
ALL.

SUPPORTS research on classroom
teaching, including action research.

ADVOCATES proactive activities in
educational decision making and in
political arena at the local, state, and
federal level.

BELIEVES quality education of
classroom teachers is best achieved
through teacher educators modeling
excellence in instruction and through team
approaches.

ENDORSES supervised clinical
experiences that are planned, sequenced,
and evaluated on criteria.

EMBRACES the concept that ...

A TEACHER EDUCATOR
is an individual who participates in
the preparation and career
development of classroom teachers.
