

# ***IATE Research Mini-Grant***

## **Call for Proposals**

The Illinois Association of Teacher Educators (IATE) Research Committee invites teacher educators, teachers, graduate students, and administrators to submit research proposals for mini-grant awards that address this year's theme:

### ***Inspiring Quality Research & Practice in Education: Looking at the Past, Present, and Future***

The IATE Research Mini-Grant word attachment proposal should include the following information. Each proposal should not be longer than six double-spaced pages and should include:

- A letter of application and a brief biographical sketch (one page)
- A formal proposal of the research project (five pages maximum) outlining:
  - Identification of the research problem or project (and title)
  - Summary of the research/project
  - Statement of objectives, significance, procedures, timeline, budget, and full description
  - Proposal prepared for blind review (no personal/institutional names)
- The research should reflect IATE values and beliefs:
  - ❖ Education for all citizens
  - ❖ Collaboration between schools and universities
  - ❖ Systematic supervision of clinical experiences
  - ❖ Enhancement of professional development
  - ❖ Excellence in classroom teaching
  - ❖ Parental, business, and community involvement

Grant recipients are expected to:

- Present research project and/or findings at the 2022 IATE Fall Conference or at the ATE Midwest Conference
- Submit abstract or manuscript for publication consideration in the IATE Journal, *Critical Issues in Teacher Education*
- Include citation of IATE Research Mini-Grant award in manuscripts and conference papers

A total of **\$1000.00** in mini-grants will be awarded:

-Deadline is **August 15, 2022**

-Award recipients will be notified in September 2022

Email proposals to:

Dr. D. John McIntyre, IATE Research Chair
